

We do not fund:

- Organisations established for private profit of where profits are distributed to individuals or shareholders or members.
- An applicant who has applied unsuccessfully within the previous 12 months, (with period starting from date of decision) unless the new application is for a different programme or has materially changed from the original application
- General or round robin appeals
- Costs which have already been incurred
- One off campaigns that do not demonstrate a sustainable legacy or a measurable impact aligned to our charitable objectives
- One off event, other than summer schools
- Onward distribution of funds as grants to others unless we have agreed to join a funding collaboration
- Activities whose purpose is the promotion of religion or politics
- All awards are made at the Trustees discretion
